Announcement

Due to lack of timely submissions, Sankhyā Series A could not bring out the special issue "Application of Concentration Inequalities and Empirical Processes to Modern Statistics" as Part II of Volume 78, scheduled to come out in August, 2016. The Sankhyā is expected to bring out the special issue as Part II of Volume 79, scheduled to come out in August, 2017. We apologise for the delay.

February 22, 2017

Sanghamitra Bandyopadhyay
Director
Indian Statistical Institute
